

Storage Prices at Warehouse Terminal – Excluding 25% VAT

Updated: January 1st, 2025

Normal opening hours: Weekdays 7:00 AM – 4:00 PM

In Short – Use Us for “Almost” EVERYTHING!

Most Popular Storage Type

Wooden container (Liftvan) – 6 cubic meters

- The wooden container (also called a liftvan) is closed during storage, so your items are protected.

- Volume equals just over 30 moving boxes.

Monthly price per container (6 m³): DKK 420.00

Handling fee (in/out) per container: DKK 400.00 (Includes retrieving from storage, opening/closing, and putting back)

Storing Small Items

If you need to store smaller quantities, a pallet may be the solution.

- Based on a EUR-pallet: 80 x 120 cm, max height 130 cm.

- If your items exceed these dimensions, double storage rent is charged—unless a special agreement is made (see 'Items with unusual shape').

- Capacity: approx. 9 moving boxes per pallet.

Price Overview (Excl. VAT):

Service	Price
Storage rent per pallet per day	DKK 5.00
Handling fee (in/out) per pallet	DKK 50.00
Warehouse staff (special handling), per hour*	DKK 440.00
Opening warehouse outside normal hours (min. 2 hrs)	DKK 1,100.00

* Only on weekdays 07:00–16:00.

** Surcharge of 25% per started hour applies outside opening hours.

Items with Unusual Shapes

If neither pallet nor container fits your needs (e.g., very long canoe, cargo bike), we offer custom pricing to ensure fairness.

Call +45 32 97 28 17 or email john@jhas.dk with your requirements.

Pickup of Your Goods

If your goods need to be picked up, pricing will depend on:

- The type of vehicle used
- Time spent on packing and wrapping

Delivery – Bringing Goods to the Warehouse

If you deliver the goods yourself but want help placing them in the container:

- Handling fee per container (in/out): DKK 400.00
- You do the packing inside the container yourself.
- The fee also applies to partial deliveries during the storage period.

Need packing help from our staff?

- We assist with packing at DKK 440.00 per hour per worker (within normal hours)

Insurance

Please notify your own insurance company about the storage.

Most customers find it easiest to report that their goods/furniture are stored at our facility.

Your regular contents or business insurance will usually cover the items.

Our insurance does not cover your stored items, unless we arrange a custom policy with Gjensidige Insurance.

In that case:

- You must list all items and their individual value
- Only then can we get a quote from Gjensidige
